

## GOLF ACADEMY

### CLUB FITTING & TRACKMAN ANALYSIS

Royal Bled Golf Academy performance studio uses state-of-the-art technology to analyse your swing and ball flight. The Fitting studio is operated by trained technicians, offering golfers custom - fitting experience testing hundreds of club and iron combinations from multiple brands like Titleist, PXG, Callaway, Cobra and more, ensuring the best fit for every player`s physical characteristics, swing and taste. Golfers receive exclusive access to TrackMan 4 launch monitors connected to hi-definition cameras and ball flight technology as well as guidance from custom fitting and PGA Professionals.

### CORPORATE CLINICS & TEAM BUILDINGS

Royal Bled Golf Academy has a range of golf clinics suitable for the corporate customer. A bespoke event can be created dependent on your needs and can be tailored from one hour sessions to a full day event. Events can include optional food and beverage, introduction to golf, golf clinic, putting session, fun & longest drive competition, video feedback for each participant and a closing ceremony.
