Podajte se na raziskovanje enega najlepših kotičkov sveta s pozitivnim odnosom do narave in odgovornimi potovalnimi navadami. Bled je manjše naselje, kar omogoča, da peš ali s kolesom brez težav dosežete vse znamenitosti. V kolikor menite, da so razdalje prevelike, uporabite javni prevoz. Tako boste imeli več časa za opazovanje narave, hkrati pa se vam ne bo potrebno vračati na izhodišče.

Explore one of the most beautiful corners of the world with a positive attitude towards nature and responsible travel habits. Bled is a small settlement, which means that you can access all attractions on foot or by bicycle. If you think that the distances are too great, use public transportation. In this manner you will have more time to observe nature, and at the same time you will not have to return to the starting point.
