Together with Pokljuka, Bled has been hosting the best biathletes of the world since 1992 and the Biathlon World Championships were held here in 2001. The biathletes are returning every year to compete in the framework of the IBU World Cup.

The picturesque lake, its idyllic island and the mysterious cliff-top castle make Bled a genuine alpine pearl, to which guests like to return. The charming image of its winter landscape clad in white and framed by snow-capped peaks and a cloudless sky stays in the memories of visitors forever. Bled offers countless possibilities for a restful or an active holiday. For a perfect evening, the town features a varied entertainment programme for all tastes. The flavoursome local cuisine is paired with a glass of excellent Slovenian wine or beer to create a genuine harmony of tastes. Bled offers relaxation and fills you with endless energy. We invite you to join us and feel the warmth of its embrace.
